FINAL STATEMENT

OF

Jackson N. Edwards
Co. 2d Regt of Kentucky Vols

VOLUNTEERS.

Dec Dec 16, 1863.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other commanding officer commanding the company will certify to the act of the delivery of the duplicate certificates, on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to that effect by the officer. This statement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander or the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are needed by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipment, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landworn must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

Mr. M. C. Fisher,
Hosall, Missouri. *WFO*

Copies of discharge certificates of soldiers cannot be furnished.

The records show that John Fisher was enrolled July 10, 1863, at Marion, Kentucky, and was mustered into service October 24, 1863, as a private of Company A, 48th Kentucky Infantry, to serve one year, and that he was honorably discharged the service as a private December 17, 1864.

From the meager data furnished it is impossible for this Department to identify the record of Wash Fisher, if he was in the military service of the United States or to determine whether or not he was in that service.

H. P. Mc Cain

The Adjutant General.

ARTICLES OF WAR

ART. 55. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

PAR. 152. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 55th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease, which report will be noted on the next inventory of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

PAR. 153. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

PAR. 154. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are sent to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to enter receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

ARTICLES OF WAR.

ART. 65. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by promotion or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

PAR. 122. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 65th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final documents of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster-roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of ———, late of company (—) ——— regiment of ———, who died at ———, the ——— day of ———, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

PAR. 123. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

PAR. 124. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of ———, late of company (—) ——— regiment of ———, who died at ———, the ——— day of ———, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

3. Lieutenant Jeffrey Rogers, 21st Regiment, (1st Heavy Artillery,) Indiana Volunteers.

CHARGE I.

"Conduct unbecoming an officer and a gentleman."

Specification 1st—"In this; that he, Lieutenant Jeffrey Rogers, 21st Regiment, (1st Heavy Artillery,) Indiana Volunteers, did, at, or near, Bardonia, Shelby county, Kentucky, on or about the 11th

day of March, 1864, approach one Sally Cook, and did offer and agree to release, or cause to be released her son, Martin B. Cook, whom he, the said Lieutenant Rogers, had arrested, or caused to be arrested, by virtue of the authority invested in him by his Military Commission, or by color of such authority, for, and in consideration of the sum of one hundred dollars, more or less. This to the detriment of the administration of justice, and great scandal to the service.

Specification 2d.—“In this: that he, Lieutenant Jeffrey Rogers, 21st Regiment, (1st Heavy Artillery,) Indiana Volunteers, having purposed and agreed with one Mrs. Sally Cook, of Shelby county, State of Kentucky, to release, or cause to be released, her son, Martin B. Cook, whom he, the said Rogers had arrested, or caused to be arrested, for, and in consideration of a sum of money to be paid to him, the said Rogers, paid, did, on or about the 10th day of March, 1864, in the city of Louisville, Kentucky, further disgrace himself and his position, by accompanying the said Mrs. Cook, and her son Martin, to the house of an acquaintance in the said city, to aid and assist them to obtain the money which he, the said Rogers, had agreed to receive as a bribe.”

CHARGE II.

“Conduct to the prejudice of good order and military discipline.”

Specification.—“In this: that he, Lieutenant Jeffrey Rogers, 21st Regiment, (1st Heavy Artillery,) Indiana Volunteers, did on or about the 10th day of March, 1864, at or near, Louisville, Kentucky, release, or cause to be released, or did convey to a place of supposed security from arrest, one Martin B. Which money, he, the said Rogers, had no authority to receive.”

To which charges and specifications the accused, Lieutenant Jeffrey

Rogers, 21st Reg., (1st Heavy Artillery,) Indiana Volunteers,
pleaded—

"Not Guilty."

PLEADING.

The Court having maturely considered the evidence adduced, finds the accused 2d Lieutenant *Jeffrey Rogers, 21st Regiment, (1st Heavy Artillery,) Indiana Volunteers,* as follows:

CHARGE I.

On the 1st Specification, "Not Guilty."

On the 2d Specification, "Not Guilty."

On the Charge, "Not Guilty."

CHARGE II.

On the Specification, "Guilty."

On the Charge, "Guilty."

SENTENCE.

And the Court does therefore sentence him, *Jeffrey Rogers, 2d Lieutenant, 21st Regiment, (1st Heavy Artillery,) Indiana Volunteers,*
"To be dishonorably dismissed the service of the United States."

Finding and sentence disapproved. The finding of the Court is not justified by the evidence, and in addition to this, the record shows that Lieutenant *Seaton*, a member of the Court, was not present during the examination of a portion of the witnesses for the accused, but subsequently took his seat, and deliberated upon the finding, and had a voice in the sentence of the accused. This could only have been done by the consent of the accused, and should appear affirmatively upon the record. Lieutenant *Rogers* will be released from arrest, and returned to his command for duty.

III. At the General Court-martial which convened at Lexington, Ky., May 3d, 1864, pursuant to Special Orders, No. 101, dated Headquarters District of Kentucky, Lexington, Kentucky, April 24th, 1864, and of which General *G. T. Shackelford, 6th Kentucky Infantry,* is President, were arraigned and tried—

1. Captain *Allen P. Hawes*, Company G, 39th Regiment, Kentucky Infantry.

CHARGE.

"*Knowingly making a false muster, in violation of the 16th Article of War.*"
Specification 1st—"In this; that he, *Allen P. Hawes*, Captain, Company G, 39th Regiment of Kentucky Volunteer Infantry, did, on or about the 31st day of December, 1862, at, or near, Louisa, Kentucky, muster, or cause to be mustered, on the muster roll of Company G, 39th Regiment, Kentucky Volunteer Infantry, from December 31st 1862, to the 28th day of February, 1863, *Jedediah F. Davis*, as Orderly Sergeant of said Company, knowing at the same time, that said *Jedediah F. Davis*, belonged to the 14th Regiment, Kentucky Volunteer Infantry."

Specification 2d—"In this, that he, *Allen P. Hawes*, Captain, Company G, 39th Regiment, Kentucky Volunteer Infantry, did, on or about the 28th day of February, 1863, at, or near, Louisa, Kentucky, muster, or cause to be mustered on the muster roll of Company G, 39th Regiment, Kentucky Volunteer Infantry, from February 28th, 1863, to April 30th, 1863, *Jedediah F. Davis*, as Orderly Sergeant of said Company, knowing at the same time, that said *Jedediah F. Davis* belonged to the 14th Regiment, Kentucky Volunteer Infantry."

To which charges and specifications, the accused, Captain *Allen P. Hawes*, Company G, 39th Regiment, Kentucky Infantry, pleaded—

"Not Guilty."

FINDING.

The Court having maturely considered the evidence adduced, finds the accused, Captain *Allen P. Hawes*, Company G, 39th Regiment, Kentucky Infantry, as follows:

Of the 1st Specification, "Guilty."

Of the 2d Specification, "Guilty."

Of the Charge, "Guilty."

SENTENCE.

And the Court does therefore sentence him, Captain *Allen P. Hawes*, Company G, 39th Regiment, Kentucky Infantry, "To be cashiered."

Finding and sentence disapproved for the following reasons: 1st. Musters for pay are not made in advance, and therefore both specifications are necessarily defective, in stating that on the 31st day of December, 1862, and 28th day of February, 1863, musters were made by the accused for the two following months. They could only have been made for the preceding months. 2d. The findings of the Court are not in accordance with the proof in the case, as the prosecution failed to prove by the witnesses the fact of the accused knowingly making a false muster, and the roll introduced by the accused, shows that *Davis* was not mustered as an Orderly Sergeant, but as a private, and that he was transferred from the 14th Kentucky Infantry on April 1st, 1863. Captain *Hawes* will be released from arrest, and restored to his command for duty.

2. *F. B. Hawkins*, Captain Company A, 40th Regiment, Kentucky Infantry.

CHARGE.

"Gross neglect of duty, to the prejudice of good order and military discipline."

Specification 1st—"In this; that he, *F. B. Hawkins*, Captain Company A, 40th Regiment of Kentucky Volunteer Infantry, did, on or about the 29th day of April, 1864, at, or near, Elizabethtown, Kentucky, after having received official information that a band of guerrillas were within ten miles, more or less, of his post, engaged in plundering and robbing the peaceable, quiet and loyal citizens, refuse to take any steps to capture said party, and refuse to let any of his command go in pursuit of them."

Specification 2d—"In this, that he, *F. B. Hawkins*, Captain Company A, 40th Regiment, Kentucky Volunteer Infantry, did, on or about the 29th day of April, 1864, at, or near, Elizabethtown, Kentucky, by neglect of duty, suffer and permit a party of guerrillas to enter said town, where he was posted, and permitted them to escape without molestation, or endeavoring to capture them, they prowling around the vicinity of his post, committing many depredations, for several days."

CHARGE II.

"Conduct unbecoming an officer and a gentleman."

Specification 1st—"In this, that he, *F. B. Hawkins*, Captain Company A, 48th Regiment, Kentucky Volunteer Infantry, did, on or about, or between, the 1st day of April, 1864, and the 9th day of May, 1864, at, or near, Elizabethtown, Kentucky, in open daylight, and in the uniform of an officer of the United States service, visit houses of ill-fame, much to the disgrace of himself, and the scandal of the service."

Specification 2d—"In this: that he, *F. B. Hawkins*, Captain Company A, 48th Regiment, Kentucky Volunteer Infantry, did, on or about the 2d day of May, 1864, at, or near, Elizabethtown, Kentucky, and on the public street of said town, embrace, by putting his arms around, a public prostitute, and conduct her to his room, while in the uniform of an officer of the United States service, much to the disgrace of himself, and the great scandal of the service."

Specification 3d—"In this: that he, *F. B. Hawkins*, Captain Company A, 48th Regiment, Kentucky Volunteer Infantry, did, between the 1st day of April, 1864, and the 9th day of May, 1864, at, or near, Elizabethtown, Kentucky, in open daylight, take with him, in a buggy, a well known prostitute, driving through the streets of said town, and making an official visit to one of the posts of his command, at, or near, Nolin, Kentucky, on or about the 20th day of April, 1864, he being dressed in the uniform of an officer in the United States service, much to the disgrace of himself, and the great scandal of the service."

To which charges and specifications, the accused *F. B. Hawkins*, Captain Company A, 48th Regiment, Kentucky Infantry, pleaded—
"Not Guilty."

FINDING.

The Court having maturely considered the evidence adduced, finds the accused, *F. B. Hawkins*, Captain, Company A, 48th Regiment, Kentucky Infantry, as follows:

CHARGE I.

Of the 1st Specification, "Not Guilty."

Of the 2d Specification, "Guilty."

Of the CHARGE, "Guilty."

CHARGE II.

Of the 1st Specification, "Guilty."

Of the 2d Specification, "Not Guilty."

Of the 3d Specification, except the words, "driving through the streets of said town, and making an official visit to one of the posts of his command, at, or near, Nolin, Kentucky, on or about the 20th day of April, 1864," "Guilty."

Of the CHARGE, "Guilty."

SENTENCE.

And the Court does therefore sentence him, *F. B. Hawkins*, Captain, Company A, 48th Regiment, Kentucky Infantry, "To be dismissed from the service."

Finding and sentence confirmed. Captain *F. B. Hawkins*, 48th Kentucky Infantry, ceases to be an officer in the service of the United States from this date.

IV...At the General Court-martial which convened at Lexington, Kentucky, May 27th 1864, pursuant to Special Orders, No. 126, dated Headquarters District of Kentucky, Lexington, Kentucky, May 26th, 1864, and of which Colonel G. T. Shackelford, 6th Kentucky Infantry, is President, were arraigned and tried—

1. Rev. J. Gregory, Hospital Chaplain, United States Army

CHARGE.

"Conduct unbecoming an officer and a gentleman."

Specification 1st—"In this: that he, Rev. J. Gregory, Hospital Chaplain, U. S. B. A. General Hospital, at, or near, Covington, Kentucky, and did apply said articles, or part thereof, to his own use and benefit."

Specification 2d—"In this: that he, Rev. A. Gregory, Hospital Chaplain, U. S. A., did, between the 1st day of January, 1863, and the 1st day of February, 1864, at, or near, Covington, Ky., obtain a quantity of tobacco, at greatly reduced prices by representing that it was for gratuitous distribution, to enlisted men in the service of the United States, inmates of said Hospital, and did sell said tobacco, at regular retail prices, thereby incurring to himself, pecuniary profit."

Specification 3d—"In this: that he, Rev. A. Gregory, Hospital Chaplain, U. S. To which charges and specifications the accused, Rev. A. Gregory, Hospital Chaplain, U. S. A., pleaded:-

"Not Guilty."

FINDING

The Court having maturely considered the evidence adduced, finds the accused, Rev. A. Gregory, Hospital Chaplain, U. S. A., as follows:

ON the 1st Specification, "Guilty."

ON the 2d Specification, "Guilty."

ON the 3d Specification, "Guilty."

ON the CHARGE, "Guilty."

SENTENCE

Finding and sentence confirmed. Reversed Almond Gregory, Hos-

FINAL STATEMENT

See Endorsement

Pi John B. Howerton 1st Reg't of Cavalry at Russellville Ky
Jan'y 19. 1864.

VOLUNTEERS.

Dead Jan'y 19. 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMANDING OFFICER commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify so that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will NOT be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landworn must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

FINAL STATEMENT

OF

Facet of Johnson Wilson
Co. 48 Reg't of Kentucky

VOLUNTEERS.

Disch Dec 1. 1865.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates, on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are created by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Expenses."

NOTE 5.—Bounty paid by State authority, and not by the United States, will not be entered on this statement.

NOTE 6.—Amount for the Author and Landowners must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for veterans.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

FINAL STATEMENT

OF
Pi *Saml. Jones*

Capt 70 Regt of *Populinsky*

VOLUNTEERS.

Dead Nov 13. 1863.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c. due him, and the captain or other COMMANDED officer commanding the company will certify to the act of the delivery of the duplicate certificates, on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander, &c., seeing to that fact on the back of both these final statements, and when to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. These statements should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are made by the 31 Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Lieutenant must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This form will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, or duplicate, to the Adjutant General, Washington, D. C.
